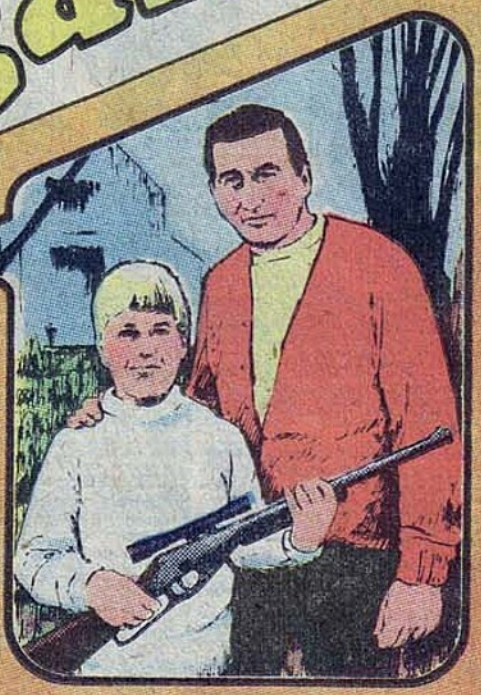
# The sport a boy grows up with... shooting a Daisy®



"In the game of football you have to be a consistent and accurate performer. Shooting is the same way. In both, you must practice to develop your skills.

Practice makes perfect and in no time you will be hitting bullseyes. I know because I have been hitting bullseyes for over 30 years with footballs and Daisy B-B guns.

Now my son Ken and I are having fun shooting together. I feel like I am helping him to learn about the proper use of guns as well as developing confidence in his own abilities which should help him succeed in life."

# WHAT TO SINK YOUR TEETH INTO WHEN YOU'RE HUNGRY AND YOU'RE NOT A WEREWOLF.

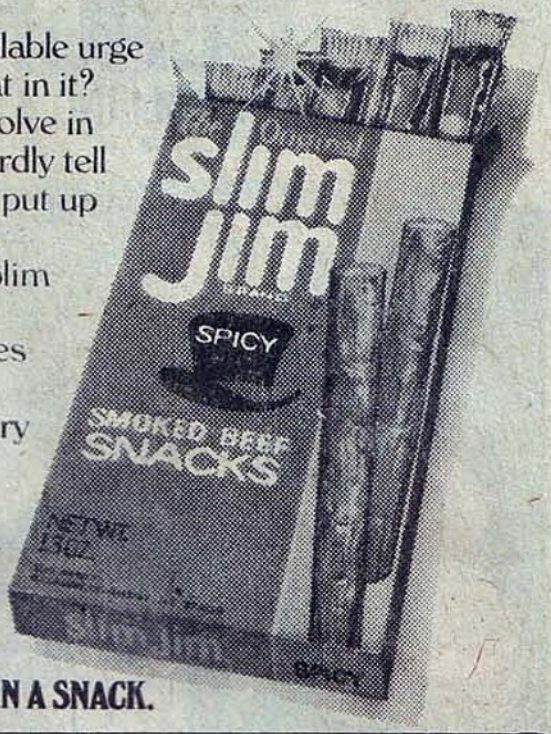
Every now and then, do you get this uncontrollable urge to bite into something that's really got some meat in it?

Are you tired of sugar-sweet snacks that dissolve in your mouth, and crunchy snacks that you can hardly tell you ate, and all the other boring stuff you have to put up with, every day?

Well, take heart. And, while you're at it, take Slim Jim along in your pocket.

Slim Jim is a chewy, all-meat snack that comes in five very un-boring flavors. Mild, spicy, salami, bacon, and pizza. And you can find it at the grocery store. Or at a lot of the places where you've been getting those sissy snacks.

You might want to carry a few extra ones, too. Then, if you meet a werewolf, you can give him something to sink his teeth into instead of you.



**A LITTLE LESS THAN A MEAL. A LITTLE MORE THAN A SNACK.**

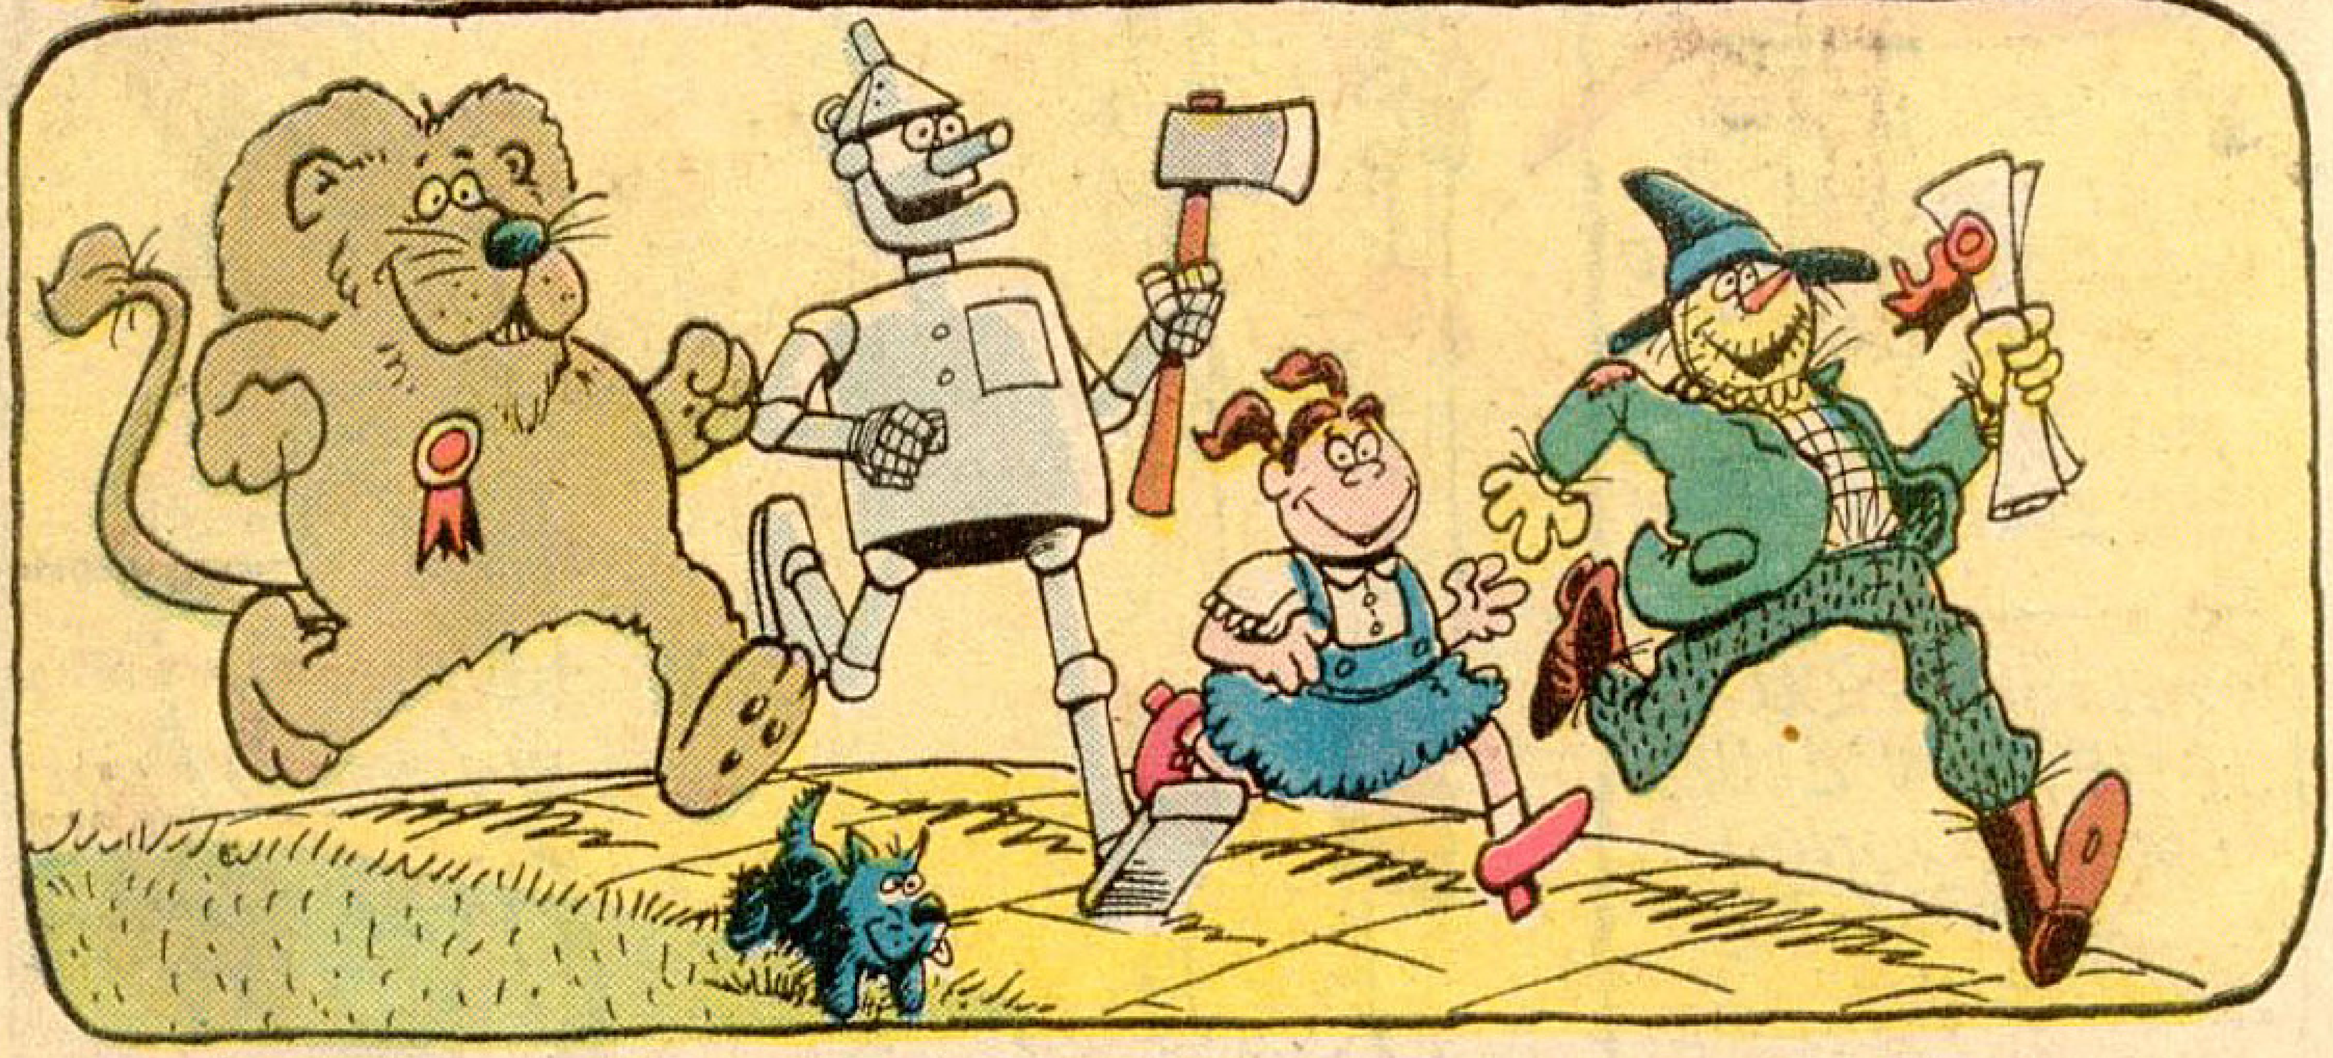
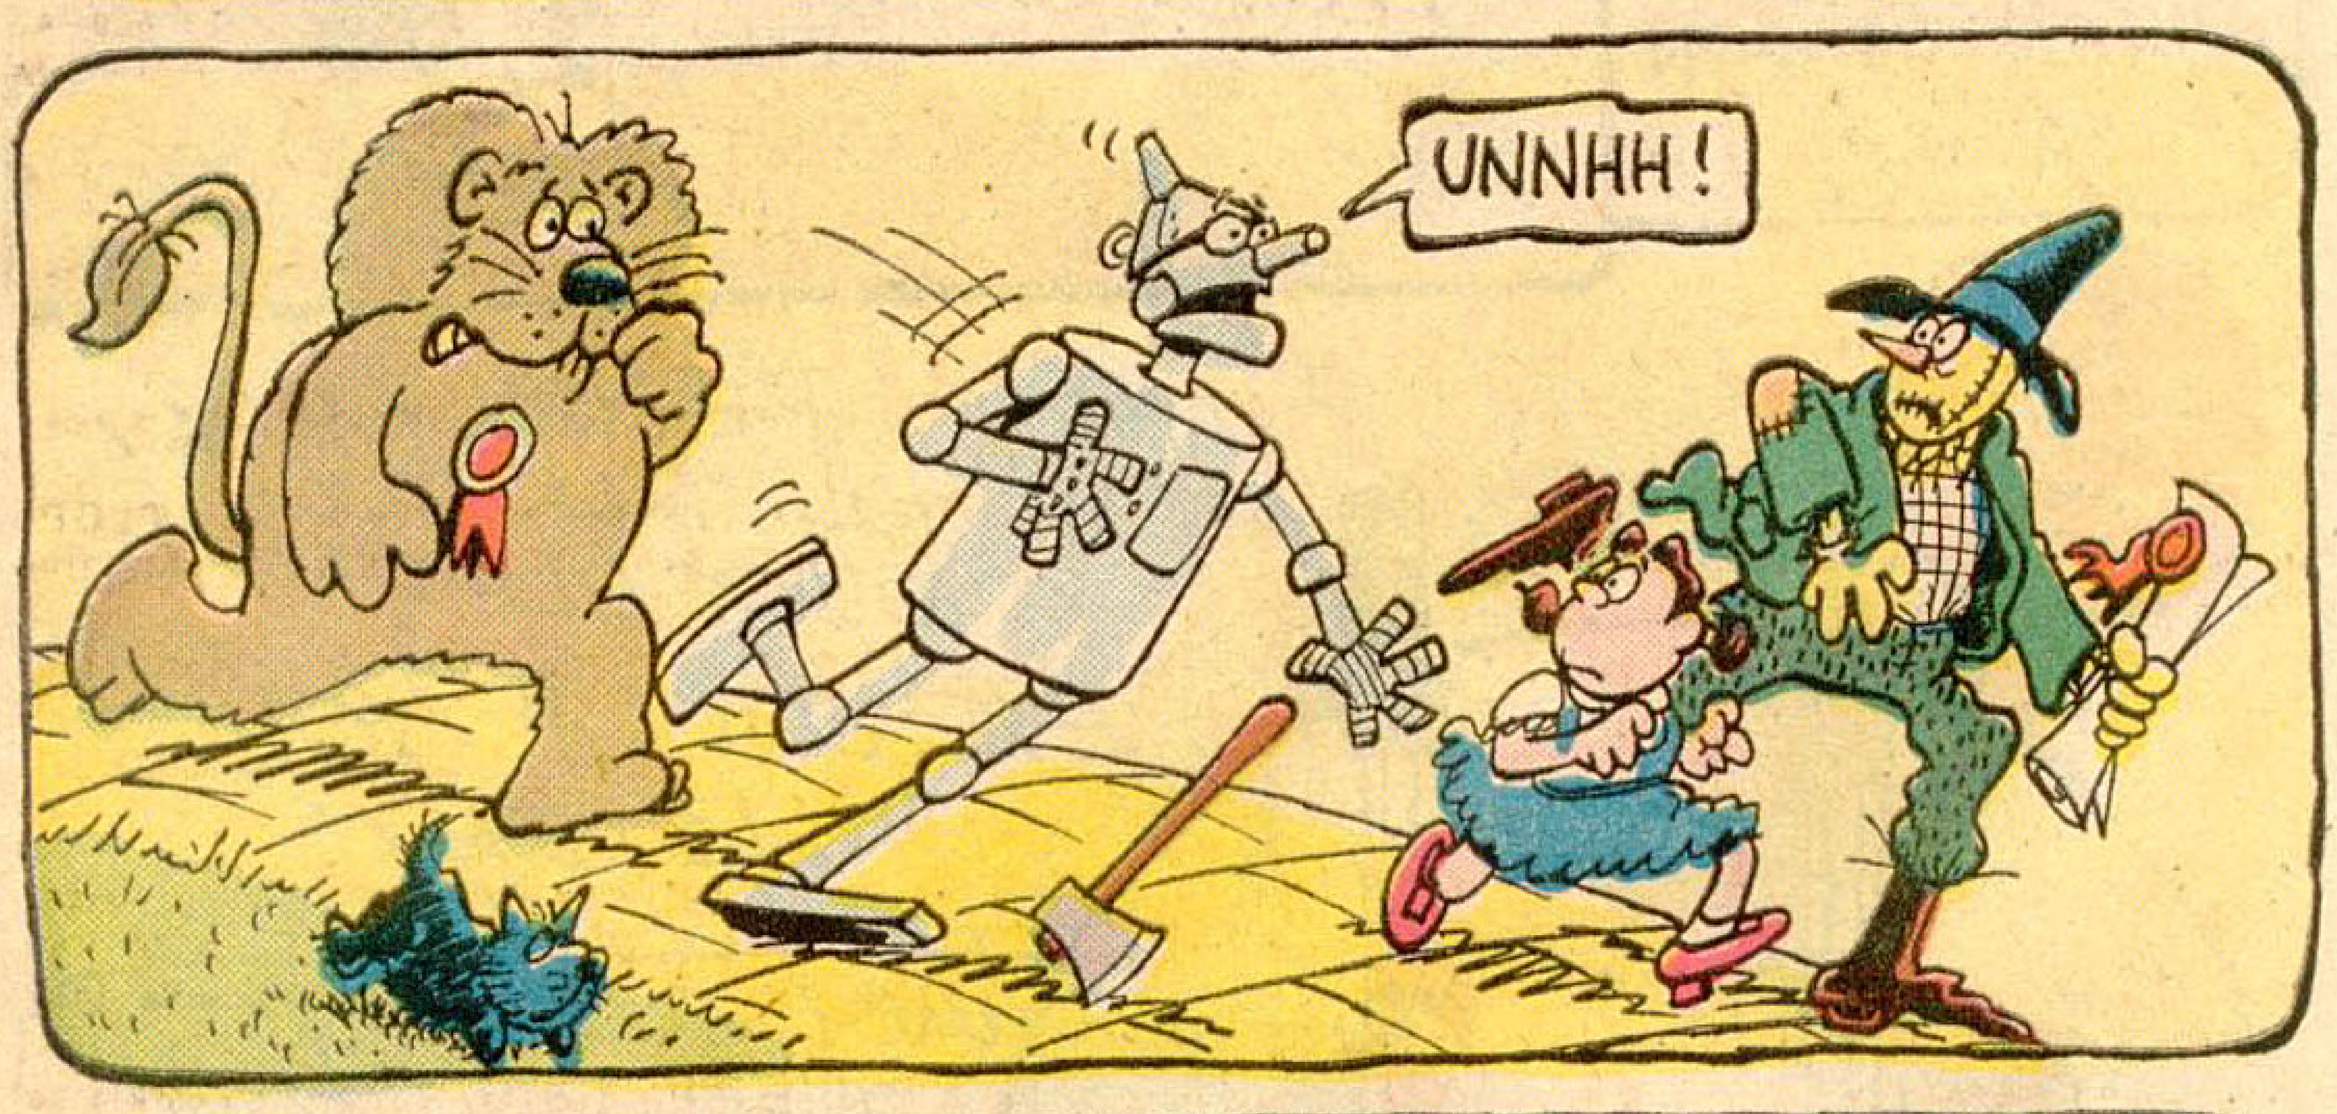
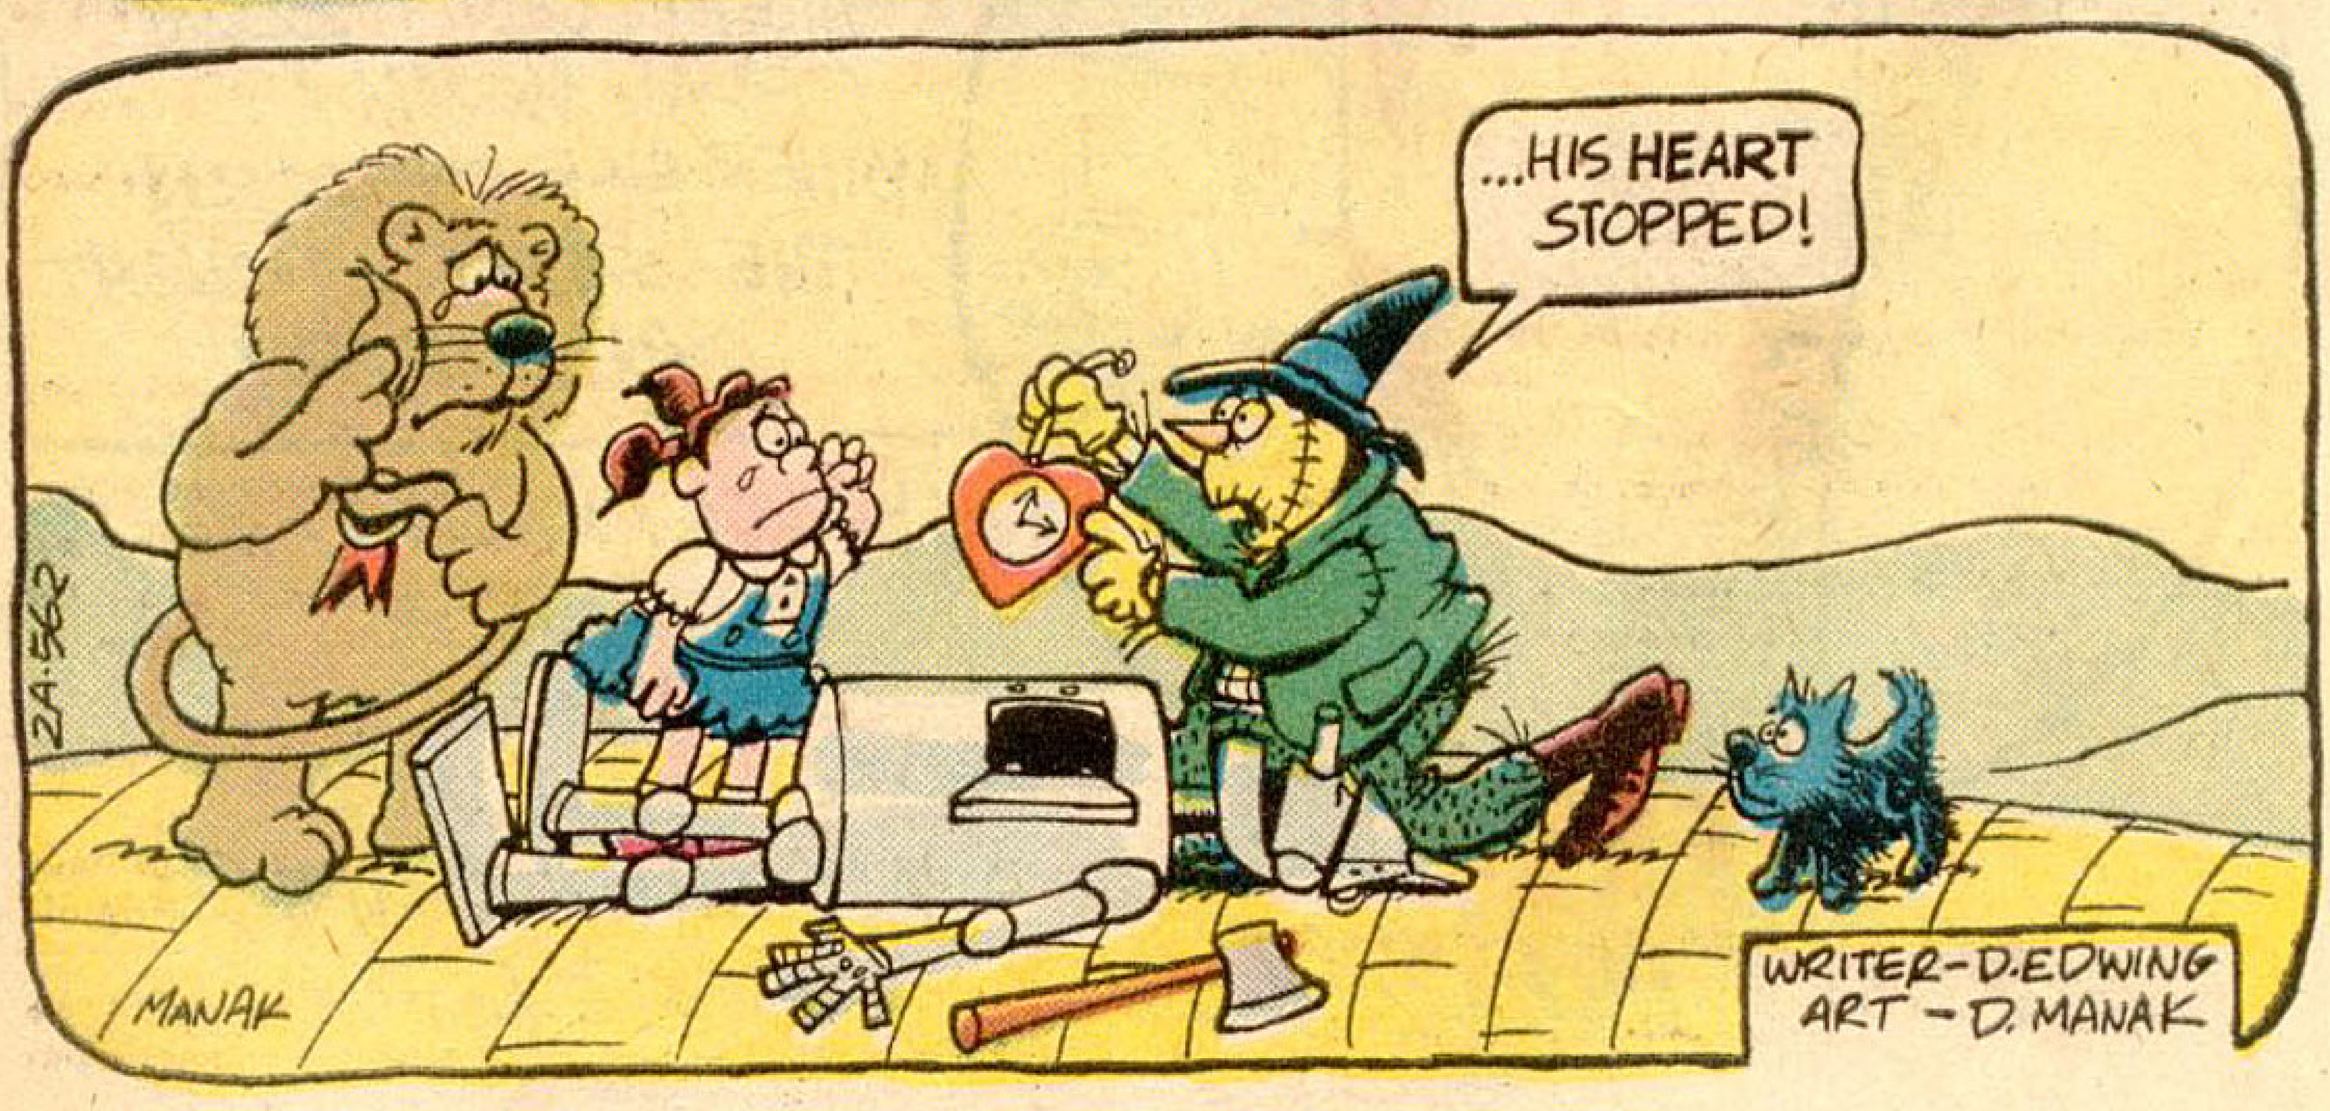
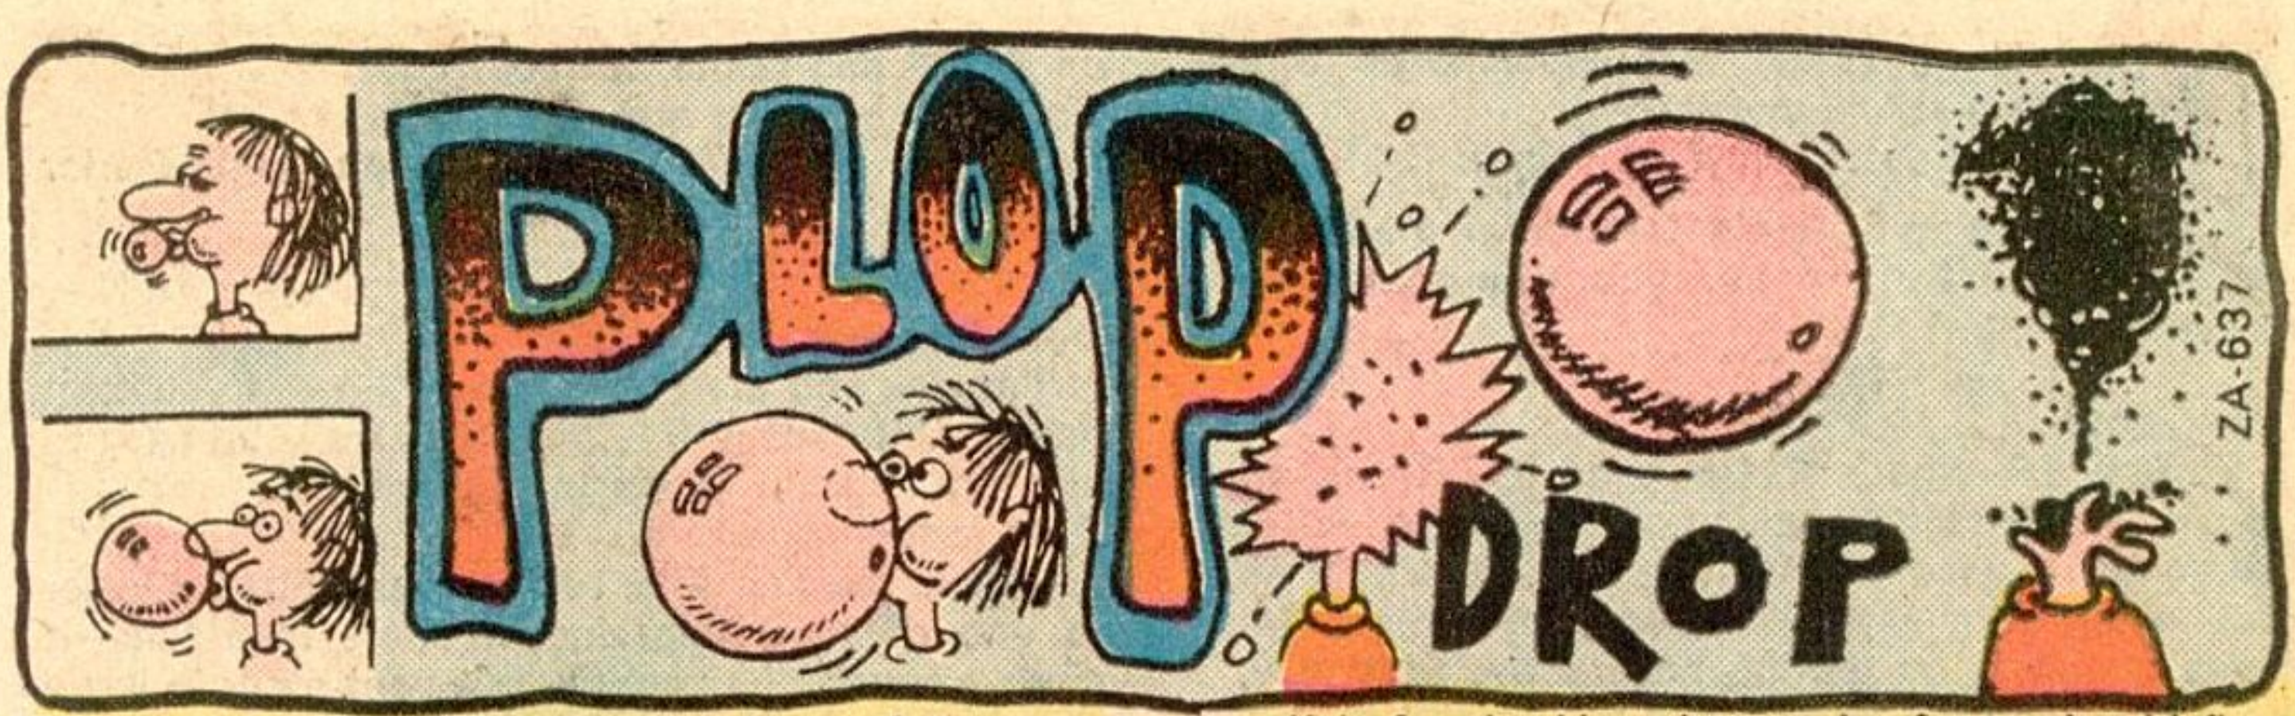
# THE WIZARD OF PLOP!









**Thought you'd be able to get away from our letters section by hiding in our gag grab-bag, huh? Well, you're wrong . . . all wrong! We brought a DOUBLE-SIZED bundle of letters from our readers with us, just to torment everyone who happens onto this issue!**

* * * * *

Dear Plop,

I would like to know how long you expect to stay in business after the men in the white suits fihally put all of us weirdos that read **PLOP** away forever. Stephen Daiter, Toronto, Ontario

**We have a fail-safe method planned for that time—we'll drive the men in the white suits crazy by forcing them to read the copies of PLOP they confiscate from our old readers!**

* * * * *

Dear Sirs,

Could you please send me **PLOP** #1? I would really enjoy it and any price would seem to be a bargain.

Paul Zimmerman, Philadelphia, Pennsylvania

**Sorry, no can do. Not only do we not stock extra copies of back issues, but due to the unusual numbering system PLOP uses, we don't have a number one issue . . . yet. You see, we started PLOP with number 100 and have been working our way backwards!**

* * * * *

Weirdos,

Did you get Plopped today?

Fred L. Holtz, Rockville Centre, New York

**Not yet . ... but we haven't reached the end of the issue safely either!**

* * * * *

Dear Plop,

After reading **Plopular Poetry** I had a wonderful idea—why not sum up **PLOP** by using the alphabet? Here's how it comes out:

A is for Aragones, whose stories are far out,

B is for Basil Wolverton, who **PLOP** couldn't do without,

C is for class, which some of your stories lack,

D is for David Manak, who puts the class right back,

E is for the end, which I await in a story or two,

F is for Frank Robbins, whose stories are peachy too,

G is for the goofiness, which is in every story you write,

H is for horrible, because your pictures are a messy sight,

I is for intelligence, which you guys lack the most,

J is for the junk you print which is certainly very gross,

K is for the kite that each of you should fly,

L is for the lousiness, which in your mag you do supply,

M is for Lee Marrs, whose stories are pretty swift,

N is for Coram Nobis who gives each story a lift,

O is for the "Oh No!" which I say when each new **PLOP** comes,

P is for **PLOP** which I buy with a roll of **Tums**,

Q is for the quarter, which I pay for your weird magazine,

R is for Ripp, who can draw a pretty cool scene,

S is for Skeates and Slim, who draw and write so fine,

T is for the Truly Terrible mag, which sums it up pretty kind,

U is for unique which your comic is the most,

V is for vulnerable, which your mag makes me, 'cause every issue makes me roast,

W is for wonderful, which I say when I'm finished reading your glop,

X is for Xmas, which I like better than **PLOP**,

Y is for Yay!, 'cause I'm almost done with this letter, and,

Z is for zany, but your mag can't get much better.

Bruce Palazzo, Sewell, New Jersey

* * * * *

Dear Plops,

As if I didn't have enough trouble trying to get **Lois** and **Superman** married, now I have to find mates for you three! An almost impossible task (impossible for anyone else . . .)!

Handling the love affairs of the **DC** stars is enough to drive me crazy!

Cupid

**Well, when you get our minor problem solved, could you check down the hall a minute . . . it seems Krypto's been having trouble . . .**

Dear Eve, * * * * *

I think you are very, very cute. Why don't you leave those creeps and come to my comic?

**Swamp Thing**

**Honestly, Cupid . . . I thought you were the expert on the subject of love! Do you mean the best you can do for a pretty witch is come up with a pile of sludge?—Eve**

* * * * *

Dear Ploop, Plip, Plup, Plap, Plorp, Sirs,

I enjoy your magazine greatly. It is great to have a good humor magazine in comic form. (Mainly because it is lots cheaper.)

I have one important question: why haven't the last few issues had any stories by the great artist Sergio Aragones?

One small question, too: how does one pronounce Sergio Aragones?

Scott Povey, Red Bluff, California

**We are saving up Sergio's talents for a special issue . . . and by the by, you pronounce his name PLOP.**

* * * * *

Dear Idiots,

So you ask what's **PLOP** good for? That's an open invitation for all your readers not to write! Everyone's a wise guy (except me), so they'll all keep silent. While they're busy not writing, I'll capitalize on it by writing constantly; that way, you'll have nothing to print but my letters! Clever, yes?

The only thing that I think **PLOP** is good for is to give to your rich uncle on his birthday, and thusly induce Ad Nauseum, a rare disease of which **PLOP** is one of the main carriers. When he starts the fandangoese, the first stage of the disease, convince him that the moon is made of kitty litter, and the only way to stop it is to sign his million-dollar estate over to you. Clever, no?

P.S. Do you know where I can adopt a rich uncle?

Kacey,
Gahanna Asylum For The Hopelessly Insane

**The heck with you—does anyone know where WE can adopt a rich uncle!**

* * * * *

Dear Masterful Mistaker Makers,

A recent surveillance by psychiatrists of certain weirdos has led the reporting team to the discovery of a new pathology—Plopmania. This new delusion, the searchers explain, shows that the subjects have a demented and warped sense of humor and imagination. The spread of this condition has been linked to a bacteria called **PLOP** magazine, whose culture reproduces approximately every sixty days. Please protect yourselves, as this bacteria can be fatal to your sense of humor!

Linas Sabalys, Laval, P.Q., Canada

**That's two diseases in two letters . . . pretty soon they're gonna be calling us "poison PLOP" . . .**

* * * * *

hello plop,

goody, goody. master is not looking. now i can tell you how boring your comic is to us felines. it is boring because you do not have any stories about cats . . . or even mice. why waste my time reading your mag when i can take a catnap or sing a meowsical?

smokey joe (cat), address unknown

**We may not have cat-tales, but there's lots of shaggy dog stories in our pages!**

An Ultimatum To The Staff Of Plop
From The Regime Of Outer Mongolia
The Imperial Palace, Ulan Bator
To Whom It May Concern (if, indeed, any of you can read):

Our fearless leader has read your American publication, **PLOP**!

In his infinite wisdom he found it infinitely disgusting!

Therefore, we must announce that if you do not halt the printing of the aforementioned magazine, our regime will have no choice but to declare war on **PLOP** and bomb out your cave.

Remember, you are expendable!

Oshond Appit, Ambassador

* * * * *

Dear Ploppers,

I'm sick and tired of reading the trash you print under the heading of letters. So here is an easy to use letter (given to me by a friend):

Dear (optional) Sir,

This is the first time I have ever written a letter to one of your magazines (editors love this—it gives a touch of sincerity), but your story in issue (number) by (writer) so (pleased/enraged) me, that I feel compelled to take (pen/pencil/typewriter/blood) in hand and give you (my heartiest congratulations/the strongest protest the Comics Code will allow). The story was, in a word, (fascinating/disgusting), as was the art, and I'm (delighted/shocked) that you had the (insight/wisdom/guts) to publish (so fine a piece/such garbage). You can (extend/cancel/start) my subscription immediately.

Leonard Wong, Vancouver, B.C., Canada

**Your (letter/nonsense) has been forwarded to (another editor/a magazine stupid enough to print it) and we fully expect that you will be (hearing from him/embarrassed by the magazine it is printed in). Thank you for your (insight/waste of time), and we sincerely hope that (you enjoyed our response/we won't hear from you again).**

* * * * *

Dear Inmates,

I finally decided to send a letter to **PLOP**, so here it is:

Q

I also agreed with Morgul, the friendly dreib. Phony names just don't fit in **PLOP**. Imagine someone expecting us to believe his name is Erik P. Smith! Sheesh!

Cutberth P. Twilly, Philadelphia, Pennsylvania

* * * * *

Dear . . . er . . . People (?),

I quit reading **PLOP** some time ago, when the magazine that dares to print moronic-minded letters stopped putting those pictures on the back that were suitable for framing. But one day I found my hand spasmodically reaching towards . . . yes . . . a copy of **PLOP**!

It's true. I became a **PLOP** addict and lived. I write this from the waiting room at Fiendish House, a sanctuary where helpless victims like myself can battle the malady that sends us groping for our newsstands.

My lesson? **PLOP** is dangerous—ban it!

(This letter void where prohibited.)

Peri L. Dwyer, New York, New York

**Well, your letter's sure void around here—so cool it. And the rest of you readers who missed your chance to be in this letter column, send your comments to: PLOP DROP, National Periodical Publications, 75 Rockefeller Plaza, New York, New York 10019.**

## THE WORLD FAMOUS *NEW AMERICAN PHYSIQUE* CHEST DEVELOPER

A FABULOUSLY SUCCESSFUL TOTAL SYSTEM FOR NEW BIG CHEST INCREASE

**GUARANTEED YOU MUST INCREASE CHEST MEASUREMENTS 2 TO 4 INCHES IN JUST 14 DAYS OR YOUR MONEY BACK!**

FREE! crushing vice-grip course

*Why is this approach to muscle building world famous—?* We are perhaps the only successful bodybuilders who concentrate on a big chest first and offer the complete total system in a complete kit. NOTHING ELSE TO BUY!

ONLY $7.95 NOTHING ELSE TO BUY!

*Guys with big chests command respect.* A big chest warns: "Don't tangle with me!" *Girls love to be seen with guys who look like winners.*

We are so absolutely confident you will regard our total system as your fantastic success story that if you do not see 2 to 4 new inches in just 14 days, return valuable kit for full, immediate refund. *Why is our kit famous—?* It is our belief this renowned method is the world's most effective bodybuilding plan because it lets you attain *a big chest first.* Then at your own convenience, add a total of 6, 8, 10, 12, 16, 20 inches on chest, back and shoulders. Fantastic!

Results are not uniform and vary with user. You increase at your own pace.

BIG CHEST FIRST! OTHER BODY MUSCLES LATER!

For the man or boy whom fate denied a beautiful, strong body, help is here! How—? Our new easy system in complete packaged kit with our world famous pectoral chest developer lets you attain enormous chest measurements *fast!* Then at your own convenience, *add a total of 6, 8, 10, 12, 16, 20 inches on your chest, back and shoulders.*

Research has shown *the chest is the dynamic focal point, the power center of the physique, around which your entire bodybuilding program can be structured.* If your chest is small or scrawny, body development can be slow, almost never ending. *When your chest becomes big, other muscles can be built up super-fast! A big chest first! Always!*

Research shows people usually judge a guy by the size of his chest. Why—? Look around. Do guys parade about town in swim suits? No! Everybody wears clothes. While your other muscles can be hidden under clothing, *a big chest stands out at first glance.* Your stomach, thigh and leg muscles can be concealed under pants. Arm muscles can be hidden under sleeves. But a big chest is an attention-getter. It can indicate virility, dynamism and courage.

FREE! crushing vice-grip course

*What does our exclusive, chest building kit include—?* Our copyrighted, illustrated method-course to increase chest measurements fast, plus an engineered pectoral chest building mechanical aid, sold for many, many years the world over.
